

6) Display post which don't have any like.

```
SELECT
    post.pid,
    CONCAT(registration.fname, ' ', registration.lname)AS PostBy,
    post.pcontent
FROM post
    JOIN plikestats
        ON post.pid=plikestats.pid AND plikestats.likestatus=0
LEFT JOIN registration
    ON registration.rid=post.rid
```
