

12) Display posts of a group that is not liked by anyone.

```
SELECT
    groupposts.gid,
    CONCAT(
        registration.fname,
        ' ',
        registration.lname
    ) AS PostBy,
    post.pcontent,
    post.pid
FROM
    groupposts
JOIN post ON groupposts.pid = post.pid
INNER JOIN plikestats ON plikestats.pid = groupposts.pid AND plikestats.likestatus = 0
LEFT JOIN registration ON post.rid = registration.rid
```
